About the VICS

- Victoria's cancer service improvement network.
- 9 partnerships, with 114 member health services.
- Connecting cancer care to drive better patient outcomes.

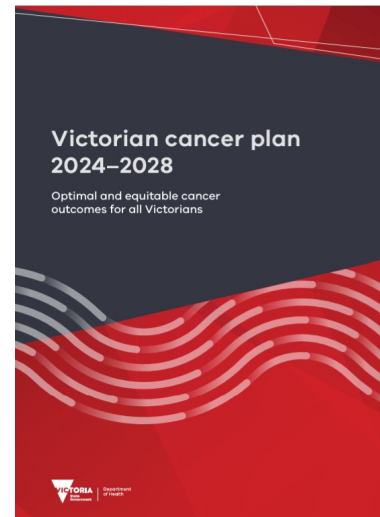

Survivorship care across Victoria

Five-year relative survival for all malignant tumours

Victorian Cancer Registry (VCR) 2020-2024

Victorian Cancer Plan 2024-28

VICS Survivorship Program

Increase number of health service adopting cancer survivorship models of care

Measurable improvements in patient outcomes

Gather insights to inform future service improvements

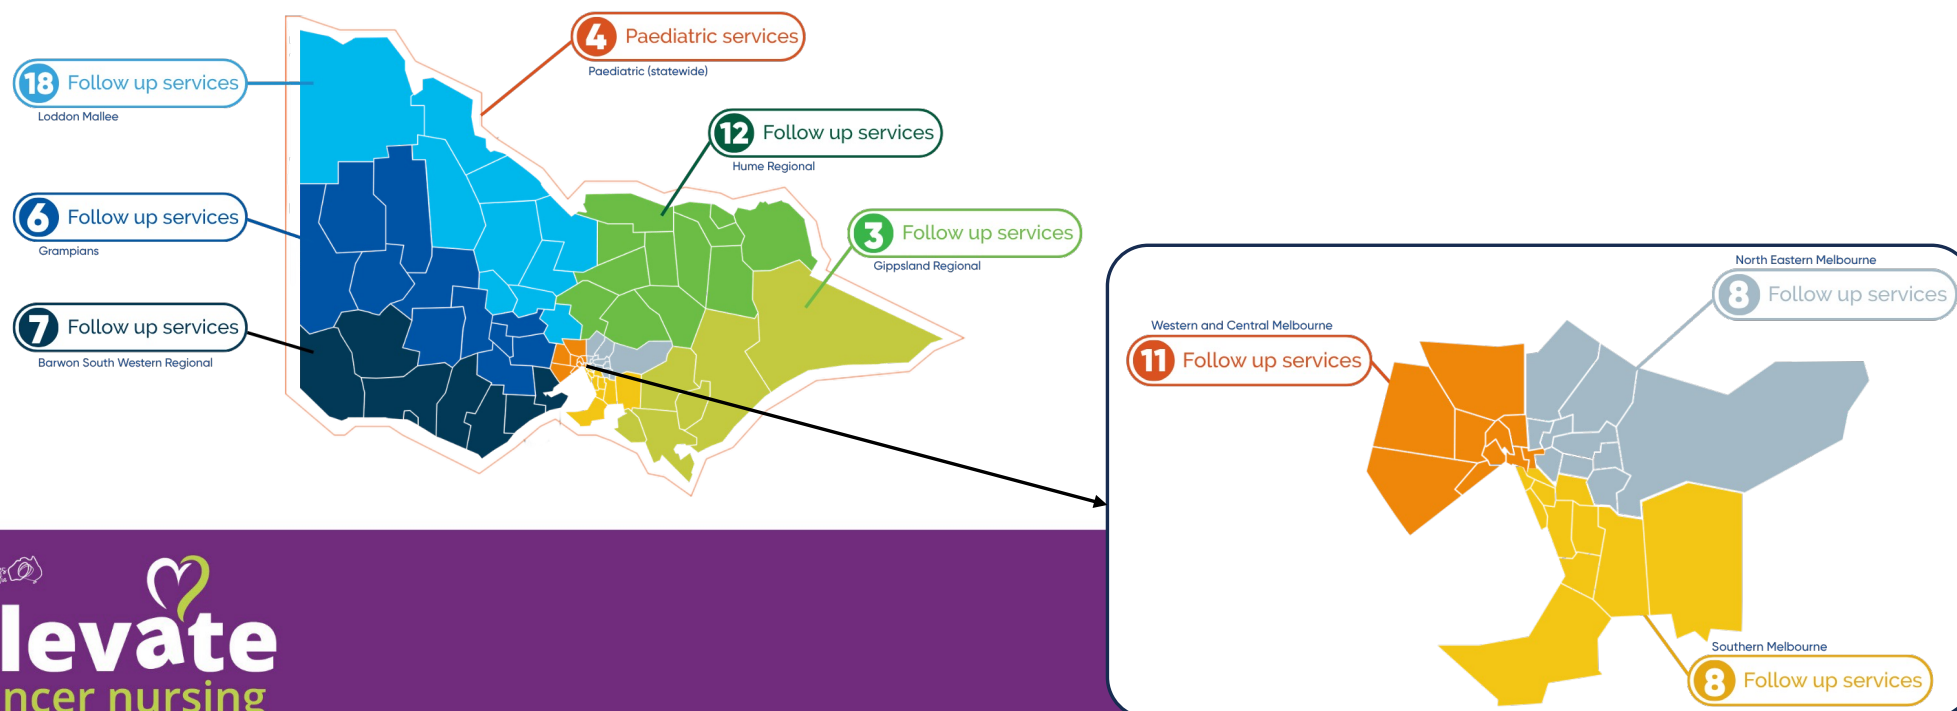

Provide better access to cancer follow up care
