welcome

Dear Partners and Supporters,

A warm welcome to the **28th Annual Congress of the Cancer Nurses Society of Australia (CNSA)**, to be held **17-19 June 2026** at the **Perth Convention and Exhibition Centre**.

Our 2026 theme, **"Elevate Cancer Nursing: Innovate, Integrate, Educate, Advocate,"** reflects our commitment to advancing cancer nursing practice, strengthening collaboration, and championing the critical role of nurses in delivering outstanding cancer care.

The Congress provides a vital platform for cancer nurses to listen and learn, share experiences, and connect with peers and leaders who are shaping the future of oncology nursing in Australia and beyond. Together, we will explore new models of care, highlight nurse-led innovation, and ensure the voice of cancer nurses continues to be elevated in the broader health landscape.

As a valued supporter, your partnership directly contributes to the professional development and empowerment of cancer nurses. With your involvement, we can provide resources, training, and opportunities that strengthen the capacity of nurses to deliver the very best care to people affected by cancer.

We look forward to welcoming you to Perth for three days of knowledge-sharing, collaboration, and inspiration as we collectively elevate the profession of cancer nursing.

Thank you for your ongoing support.

Warm regards,

Jemma Still
CNSA CEO
