

CAUTION

Occupational Hazards

with Seth Eisenberg RN, OCN[®], BMTCN[®] VIC

2.5 CPD
HOURS

9:00am-12:00pm
AEST
Sat 3 Oct 2026

Level 6, Bellarine
Hyatt Centric -
Melbourne

About the session:

Join us for an engaging morning workshop exploring evidence-based insights, best practice guidelines, and practical strategies to reduce occupational exposure and promote safer handling of hazardous drugs.

Featuring expert presenter Seth Eisenberg RN, OCN[®], BMTCN[®], this seminar will provide valuable insights into engineering controls, PPE, Closed System Transfer Devices (CSTDs), and safe workflows, while addressing the unique challenges of hospital, community, and Hospital in the Home (HITH) settings.

CNSA is grateful to O&M Halyard for supporting this event.
